VOLUME 1 JULY 2022 ISSUE 44

Established 1893

It's July and I thought I might give you a quick update on my progress on the path to becoming ordained. There are several ways to do something and the path that I have chosen is to get my classwork done as quickly as possible in order to get back to a more complete pastoral ministry. In June we had our Synod Assembly and I was busy with CPE (Chaplaincy training) as well as two other "intensive" classes. Those are classes that are condensed and intensified over a short period of time. There is work that has to be done before, during, and after those classes. I was lucky enough to spend a couple of weeks on campus and then will do that again in the Fall.

This fall would include my last class at Wartburg. That's not the end though. Assuming that I am "endorsed" I would then enter into a final year of "internship". Since I'm serving in the TEEM program my internship would keep me at the churches but I would get a new supervisor. An internship usually consists of specific goals in order to foster the growth of the pastor.

As much as I enjoy learning through Wartburg I'm very eager to put the classes behind me and enter into this final phase (if accepted) which takes about a year. During that year I won't have classes and papers "hanging over my head" and so I can do more practical ministry things as part of the process. So that means visits are easier, making videos is easier, as well as updating the websites and a couple of other little projects I have in mind. Thank you for bearing with me as I step through this process. We are all students in life, from the crib to the grave. We are here to learn how to love God, the one that he sent to redeem us, and also how to spread that love to others. That learning never stops and I ask for your continued support as I grab my backpack and continue on as a student for a little while longer.

Blessings to you...
-Jeremy

LUANA NEWS

Meeting was called to order by President Jim Meyer at 7:34am.

Present: Lay Pastor Jeremy Wolfe, Jim Meyer, Duaine Davis, Doug Schrader, Ervin Bugenhagen, Neil Landt, Melanie Lenth and Karla Schrader.

Absent: Janelle Smith, Sherri Johnson and Mary Schroeder.

Opening Devotions were lead by Jeremy.

Secretary's Report: Report was read. Motion by Neil and seconded by Erv to accept report. Motion carried.

Treasurer's and Financial Reports: Reports reviewed, motion by Erv and seconded by Melanie to accept reports. Motion carried.

Old Business: Renters talked to Jim in regards to rent to own the parsonage. Jim still needs to contact the Building Committee to put together financials and report back to the council on either keeping, selling or rent to own the parsonage.

The kitchen tile around the drain in the church basement has been pulling away and it will be fixed by Jeremy's son.

New Business: Building Committee will look into repairing the water damage in the parsonage from the roof leaking before the mold begins in one of the bedrooms. The upstairs bathroom sink faucets are not working and the renters are turning the water off and on by the sink shut off valve. The garbage disposal is not working as well. Jim will discuss these problems with Matt & Joe Plumbing and will contact the Lumber Yard on repairing the bedroom ceiling, in regards to either sheet rock/plaster. Jim will be in contact with the Building Committee regarding these problems. The parsonage roof has been fixed.

New white 8 ft Lifetime tables for the Church basement has been purchased through Fisk Farm/Home/Monona. These tables are lighter to maneuver and easier to set up for functions in the Church basement. 12 old/heavy tables are available to purchase for a free will donation and any interested party can contact Karla Schrader. The Memorial Fund was used to purchase the new tables.

A Joint Service was discussed and possibly to be held during Fall-Der-All Days/Froelich. Jeremy will discuss this with St. John/Farmersburg. Duaine agreed to contact Fall-Der-All committee member and report back at the next council meeting.

Jeremy gave a brief summary to the council on his on-going classes at Wartburg College and the Synod Assembly in which he attended along with Lisa and Jim Meyer on June 11-12.

Next Meeting: July 10, 2022.

Adjournment at 8:29am with the Lord's Prayer.

Respectfully submitted by Melanie Lenth

July 2022, LSI Bulletin/Newsletter Article and Story

God's work. Our hands.

As a social ministry organization of the ELCA, Lutheran Services in Iowa (LSI) is so thankful for your partnership in ministry! Thanks to you, we are able to provide education to parents of young children, empower Iowans with disabilities, and offer critical mental health care to community members of all ages. This month, we would like to give special thanks for those of you who have made LSI a focus on your congregation's "God's work. Our hands." project.

On a planned day in September, each congregation is encouraged to reach outside of the church and do good deeds in the community by participating in a project for "God's work. Our hands." This is a perfect opportunity to combine community projects with a special project for nonprofits like LSI, whether it's raising money or contributing in-kind gifts.

We thank you for your service! If you are interested in supporting the Iowa children and families served by LSI or would like to get involved in a "God's work. Our hands." project with LSI, please contact Deb Whitford, LSI director of philanthropy and church relations, at Deborah.Whitford@LSIowa.org or 563-676-2065.

Restoring Hope

Over the last year, LSI and its many community partners across Iowa have come together in a time of need. When hundreds of Afghan evacuees needed a place to call home in Iowa, LSI rose to the challenge to provide crucial resettlement services.

Supporters from across the state rallied together to provide financial support; they put together almost 600 welcome boxes so every individual had what they needed when they arrived; and they volunteered their time to provide assistance with transportation and housing during a distressing time.

In our offices in Des Moines and Sioux City, LSI was able to hire additional staff who speak 14 different languages. In December 2021, for the first time in 10 years, LSI began welcoming new arrivals to Iowa, and we have since welcomed more than 165 individuals – including many families – to their new home in Iowa. Thanks to the support of our partners, Iowa continues to be a space of welcome, a place where individuals can find safety, security, and a community where they can rebuild their lives.
